

# **SUMMER SCREEN WASH**

Wynn's Summer ANTI-INSECT SCREENWASH is a strongly concentrated cleaning product for windshield washer systems.

## **PROPERTIES**

- Removes insects, greasy deposits and dirt from windshield and headlamps.
- Does not attack paint or rubber.
- Leaves no white marks on the bodywork.
- Does not cause reflections on the windows.
- Due to the high concentration only a small quantity of product has to be added to the water.

## **APPLICATIONS**

All spray washer equipment of cars, buses, trucks and other vehicles.

## **DIRECTIONS**

Add 1 part of Wynn's Anti-Insect Screen Wash to 20 parts of water in the tank of the washer system (equates to 50ml of Wynn's Anti-Insect Screen Wash per litre of water).
