DASH CLEAN & PROTECT

WYNN’S DASH CLEAN & PROTECT is a new way to clean and renew your dashboard. The product has been specially formulated for use on modern vehicles. The product cleans, restores and protects dashboards, touchscreens and interior trim. Effective on plastic, leather, vinyl, rubber and wood.

DESCRIPTION

WYNN’S DASH CLEAN & PROTECT cleans, restores and protects dashboards and interior trim. The ACTIVE FOAM FORMULA allows for precision application, avoiding overspray and contamination of the windscreen. Its ANTI-STATIC properties fight against the build-up of. Effective on plastics, vinyl, rubber, leather and wood. Fresh, pleasant, citrus fragrance. SEMI-GLOSS finish.

PROPERTIES

- Excellent cleaning of delicate surfaces without scratching.
- Removes dirt, dust, grease, footprints and nicotine and cleans thoroughly without leaving any residue.
- Its anti-static effect provides a surface free of dust and dirt.
- Innovative applicator for dashboards.
- Active foam for an easier, precise application of the product just on the desired area to clean.

INDICATIONS FOR USE

INITIAL CAUTION: Always test first by applying a little product in a small restricted area to ensure the compatibility of the cleaner with the surface to be cleaned.

Cleaning the dashboard and non-delicate plastic parts:
1. Clean the dashboard or plastic surface by applying the product carefully on the surface or preferably on a cloth.
2. Spread the product on the surface.
3. Clean the surface gently, until complete drying.
4. Repeat the process in worn areas and if persistent dirt is observed after the first cleaning.
